

Hello again. I hope you had a wonderful weekend 😊

Last time we talked about the prepositions of place (over, under, next to..). Now we will do some exercises in the workbook.

Open your workbooks on pages 66 and 67 and do all the exercises.

Prejšnji teden smo govorili o krajevnih predlogih, danes pa bomo naredili nekaj vaj na to temo. Odprite delovne zvezke in naredite vaje na straneh 66 in 67.

You don't have to send me anything yet. I will send you the answers on Wednesday, so you can check the answers yourselves.

Zaenkrat mi ni treba še ničesar pošiljati. V sredo vam bom poslal rešitve, da boste lahko sami preverili, kako ste rešili naloge.

That's all for today, have a great day 😊
