

Hey, there 😊

So, I hope you read all about Richie Sowa and have done all the exercises.

First, a bit of an explanation of comparisons. Since this is grammar, I'll switch to Slovenian, so everyone gets it 😊

**Copy the framed explanation into your notebooks:**

(kar je v okvirčku, prepisite v zvezek)

Kadar primerjamo dve stvari, uporabimo **as + pridevnik + as**

Npr.

- + My dog is **as fast as** your dog.
- His house isn't **as big as** her house.
- ? Is your friend **as loud as** my friend?

Lahko uporabimo različne načine primerjave in dobimo podoben pomen.  
Npr. "je hitrejši od" ali pa "ni tako hiter kot"

Moj pes je hitrejši od tvojega psa – My dog is **faster than** your dog.

Tvoj pes ni tako hiter kot moj pes – Your dog is **not as fast as** my dog.

Now, let's do some exercises:

Open your books on page 77.

### Exercise 3a

Read the text and write down the words you don't understand then use Google or PONS to find the meaning.

### Exercise 3b

Read the text again, and write which home the sentences are describing, Richie's or George and Marlene's.

(napiši, čigav dom opisujejo stavki)

Copy the sentences and write R for Richie and GM for George and Marlene.

For example:

2. It's more comfortable – RM

### Exercise 5a

Make two sentences for each number. (Zapiši dva stavka za vsak primer)

e.g. (this also means "for example" but it's shorter 😊 )

3. Detroit / sunny / Cancun

a- Detroit isn't as sunny as Cancun –

V Detroitu ni tako sončno kot v Cancunu.

b- Cancun is sunnier than Detroit.

V Cancunu je bolj sončno kot v Detroitu.

You can do the rest yourselves 😊😊
