

7th c class Monday, 1st June 2020

Hello, everyone. Today is our last ZOOM meeting online in this school year. I am happy about that, how about you?

On Friday you listened to the text about »the luck factor«.

READ it again, book page 96.

WRITE into your notebook: **The luck factor**, copy the words and translate them.

(v zvezek napiši naslov, prepisi besede in jih prevedi)

a psychologist	psychology	psychological
an attitude		
luck	lucky	
a pessimist	pessimistic	
an optimist	optimistic	

Now try to compare the adjectives in exercise 1b in your book. Can you find the forms for all? (Skušaj stopnjevati pridevnike v nalogi 1b, najdeš oblike za vse?)

There are some adjectives that we cannot compare, like dead, married, right, wrong...

OPEN your workbook, page 82 and DO exercise 1.

Enjoy the rest of the day.

Stay safe.
