

Hey, all. Long time, no see 😊 Hope you enjoyed a break from English, now it's time to go back to work.

Today, we are going to talk about one of the future tenses. The “going to” future tense.

I'll switch to Slovenian just to make sure you all understand 😊

Tole si prepisite v zvezke:

Torej, prihodnjik “going to” se uporablja takrat, kadar hočemo povedati, da imamo za prihodnost neke načrte ali namen

(It is used for **FUTURE PLANS**).

I'm		travel by bus.
Kate isn't		visit New York.
Are you	going to	be a teacher?
When are they		leave?

Za izražanje načrtov in namenov v prihodnosti uporabljamo be + + glagol.

G 8

Tvorimo ga takole:

osebek / glagol “be” v sedanjiku / going to / glagol v nedoločniku /”ostalo”

(am, is, are)

He	is	going to	play	football.
My friends	are	going to	eat	lunch.
I	am	going to	steal	a bike.

Trdilno, nikalno ali vprašalno obliko tvorimo z glagolom “be”.

He **is** going to play.

I **am** going to play.

He **isn't** going to play.

I **am not** going to play.

Is he going to play?

Am I going to play?

Pazite na to, da mora vsak stavek v tem času vsebovati izraz "going to".

I'm going to play – igral bom

I'm going to sing – pel bom

He's going to eat – jedel bo

He's going to go – šel bo

Torej, če bo glavni glagol v stavku "go", potem zadeva izgleda takole:

I am going to go to London. (Šel bom v London.)

I am not going to go to London.

Am I going to go to London?

Got it? Good 😊

Now, to the exercises:

Open your books on pages 84 and 85

1. Read the text on page 84 and put the sentences in the correct order. Use the map for help. You don't have to copy the sentences this time.

(preberi tekst na strani 84 in stavke postavi v pravilen vrstni red, pomagaj si z zemljevidom).

2. Do exercise 3 on page 85.

First example is already done. I'll do the second and third one, then you are on your own. 😊 Copy the whole sentences in your notebooks!

2. What is Kate going to teach?

3. Is she going to see her relatives?

3. In your workbooks, do exercises on pages 74 and 75 (by Wednesday).

Don't send me anything yet, just make sure you do all the exercises by Wednesday.

We are going to check the answers on Zoom on Wednesday, so make sure that you don't miss the lesson!

That's it for today, have a great day. 😊
