

Hey, everyone, welcome back 😊

I hope you had a great holiday.

Today, we have to make sure that you understood everything from previous lessons, so we will do some exercises.

They are really...Extra... 😊 😊

So, Extra exercises, page 88 in your textbooks (not workbooks, textbooks).

And...yeah, I know... boring... But it has to be done...

Don't send anything, we will check the answers on Wednesday during the Zoom lesson. Make sure you do all the exercises. (whole sentences, none of that "1.b, 3. a" stuff).

That's it for today, have a great day 😊
