Zdaj pa k snovi 😊

Today we will be looking at the long and short forms of possessive pronouns. Sounds like fun, doesn't it? 😊
(possessive pronouns – svojilni zaimki)

First, copy this in your notebooks:

me - my – mine

you - your – yours

he - his – his

she - her – hers

it - its – its

we - our – ours

you - your – yours

they - their – theirs

examples:

This is my dog. The dog is mine.

It's their house. The house is theirs.

Whose is this pen? It's mine.

Whose car is this? It's John's.

Skratka: kadar je zaimek pred samostalnikom, je kratek

npr. This is MY dog.

Če je sam na koncu stavka, potem je pa dolg.

Npr. This dog is MINE.

Kadar se vprašanje začne z besedo "whose" (čigav), se ponavadi uporabi dolga oblika zaimka.
Whose dog is this? It's mine.

Now for some exercises to make sure you understood

Open your books on page 78.

Exercise 1a

Read the text and look up the unknown words in the dictionary.

Exercise 1b

Read the text again and write down the false sentences correctly in your notebooks. Just the false ones...

Exercise 3

Do exercises 3a, 3b and 3c in your notebooks. Copy the whole sentences!

First examples are already done, I will do the second ones here, you can do the rest on your own (dodal sem še rešene druge primere z razlago)

3a

2. Lisa's got a camera. Perhaps you can use hers. (her camera)
(podčrtane besede zamenjaš z daljšo obliko zaimka)

3b

2. Whose is this skateboard? Ben, is it yours?
(daljšo obliko zaimka zapišeš tako, da "paše" h osebk. Ben je v tem primeru ogovorjen, in ker njega ogovarjate, uporabite zaimek "yours")

3c

2. Whose is this jacket? It's Matt's.
(pri odgovoru zapišeš ime z 's na koncu, ker je njegovo ali njeno)

After you do the exercises, take a picture and send it to my e-mail, or you can send it on Viber on my private chat.

That's all, folks have a nice day. 😊
