Hello everyone, hope you are well.

Today is **workbook time**.

Make sure you do all the exercises on pages 42-44 and 52-53 in your workbooks.

If you're not sure how to do them, look at your textbooks on pages 50-55. Remember, books are your friends. :D

On Tuesday, you will get the answers. Then you'll be able to correct your mistakes (if you make any (b)) and send a picture of pages 52 and 53 in the workbook to your teacher.

Writing assignment

This whole self-isolation thing is a new experience for you guys. Write your thoughts about how much you have to work for school now and compare it to what you had to do when you were in school.

If you have any suggestions for improving the situation, write that, too.

Don't hold back, but keep the language clean and your suggestions constructive.

After you've done that, type it up and send it to your teachers via e-mail.

Bonus round:

If you feel really adventurous, you can try your hand at poetry and write a stanza about it.

Like this, for example:

When they said just to stay at home

I hoped that meant: "Be lazy".

But now I have to do my work -

Those teachers! They are crazy.

Email it to you know whom.

And here are the answers to your previous exercise. Make sure you correct the mistakes.
