**3) WORKBOOK – pages 54 and 55: Do all the exercises. (VSE naloge rešite.)**

SLUŠNA NALOGA: Prijavite se na iRokus, naložite si učbenik in delovni zvezek. V dopoldanskem času je iRokus spletna stran malo nezanesljiva, nalogo lahko rešite v popoldanskem času.

**Torej, kaj poslati po mailu danes meni na v pogled?**

Nobenih priponk, prosim.

Napišite **mail**, v katerem napišete nekaj povedi o tem, katero zelenjavo in sadje radi jeste in česa ne. Pomagajte si z današnjimi zapiski v zvezku.

Ne pozabite na naslov zadeve: FOOD\_IME\_RAZRED (npr. FOOD\_Miha\_8A), da bom lažje sortirala maile.

**Mail naj bo v ANGLEŠČINI.** Začnite s pozdravom na začetku in zaključite s pozdravom na koncu. Vmes lahko zastavite kako vprašanje tudi zame. Saj veste, da vam vsem odgovorim.

Jutri boste prejeli rešitve za naloge v DZ in jih boste sami pregledali, meni pa JUTRI (v torek, ne danes) poslali na vpogled slike, kako ste popravili svoje morebitne napake v DZ.

**Have a nice day,
