

30th March, Monday

Hello, 8th graders. Today we are starting our third week of long distance lessons.

So far we have practised the Present Perfect and the Past Simple tense, we've learnt some new vocabulary.

Today is EXTRA EXERCISES time.

OPEN your books on page 78 and WRITE exercises 1, 2, 3, 4, 5, and 6 in your notebooks. WRITE complete sentences.

DON'T WRITE just 1c, 2b...

When you finish, take a photo and send it to your teacher.
